Excerpt: .light in the room and to admit of the men looking out when the door is shut. SICKNESS AND MORTALITY AMONGST THE PRISONERS IN THE HYDRABAD (SIND) JAIL. The reports of the above jail for the months of January and February last having shown a large increase of mortality amongst the prisoners, the Medical olhcer in charge was requested in letter No. 253 of 1866, to furnish the Commission with information as follows: --1. The length, breadth, and height of wall, and the means of ventilation of each ward in the prison, and the number of persons that slept in it on 1st January last. 2. If the food is supplied by contract, when did the present contract begin, and who inspects the grain received? 3. What difference is there in the clothing of the hot and the cold months, and at what date was the use...

Reviews

Completely essential read ebook. It is among the most awesome book i actually have read. I am very happy to explain how this is basically the greatest book i actually have read in my individual existence and might be he best pdf for possibly.

-- **Prof. Alexandro Runolfsson**

Extensive guideline! Its this sort of very good go through. I have got read and i am confident that i will gonna read through once more once more in the future. Once you begin to read the book, it is extremely difficult to leave it before concluding.
