Simply no phrases to clarify. It is really basic but surprises from the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

The Elven Chronicles for Adults is a compilation of all the short stories written in the series to date. ANGELS HAYLO Haylo is an Elf, but she has been raised as a human. She has never known a different life, though she knows there are Elves and that she is one of them. The family that has surrounded her with their love and care is not of her blood. She never questioned her origins. To her those about her were her family. Her mother. Her father. Her grandmother. Angel is Amys daughter and is unable to have a child. To Amy it is the worse thing that can happen to a woman, especially to one who lives only to hold a child in her arms as her own. Elizara is an Elven woman who has borne twins, though she is too ill to realize this. Thinking the Elf too ill to survive Amy takes one of the babies to give to her daughter to have as her own. This is their story. THE PRICE OF BETRAYAL They are twins, brothers who have been separated by a foolish act caused by the jealousy of one for the other. Arlyn is sentenced to exile for a crime he did not do. Ayden has been left to live with the guilt that his actions have precipitated. Arlyn leads those who follow him into exile as he lives in the shadow of the Empire. Ayden allows the despair that knowing his actions has caused his Empire and family pain. This is their journey, one that spans more than a millennium. This is the story of the Empire that they serve. The friends...
