By Brendan Boykin

Pearson Education (US), United States, 2014. Mixed media product. Book Condition: New. 229 x 188 mm. Language: English . Brand New Book. The Apple-Certified Way to Learn This all-new guide presents a real-world workflow from raw media to finished project to demonstrate the features of Final Cut Pro X and the practical techniques you will use in editing projects. Using professionally acquired media, you ll utilize the same tools and editing techniques used by editors worldwide in this revolutionary editing software. Renowned editor and master trainer Brendan Boykin starts with basic video editing techniques and takes you all the way through Final Cut Pro s powerful features. The lessons start as real world as it gets-with an empty timeline. After downloading the media files, you will be guided through creating a project from rough cut to final edit. The basic workflow and tools are covered in Lessons 1 through 4 where you will create a rough cut. The real-world workflow continues through the remaining lessons as you take the basic project and enhance it with a deeper dive into the more advanced Final Cut Pro X features including how to efficiently organize and share media with the new Libraries, enhanced...
