Createspace, United States, 2013. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.NOTE: This book was part of a series I wrote regarding book reviews, to gauge reader responses. It is a tongue in cheek, comedic written work and Fredrick Doyle Wimberley is a fictitious author. I waited to add this part of the book s description, until I could see how it was received by readers. I am impressed with the reader-responses it has already received. Unfortunately, in spite of being a comedic work, it does reflect actual practices and attitudes by a sub-set -- small percent of authors and reviewers. They have brought more attention to their selves in recent months. This book can be enjoyable if the reader knows in advance that it is tongue-in-cheek, intended to give its readers a few laughs on the book reviewers and indie authors subject. The book is also a section found in my 3-part book titled: Wars Between Book Reviewers and Authors (Recipient of a 5-star review by a top Amazon Book Reviewer -- a person I do not know online or otherwise but I am grateful for their highly favorable, well-written review. *They understood the purpose of the series.*). Sample From The Book: Some readers might think this is going to be another crackpot book, written by some bitter person who has nothing better to do, than to vent his frustrations toward people who are not actually his problem. . I m not some bitter guy, I just don t like seeing all of these so called authors out there publishing their trashy little books. I m not talking about sexy novels either because those are probably the best thing going. I m referring to books that don t...
