A wonderful people! Go and sacrifice yourself and expect something from them! . . . Ever since then there haven't been any revolutions. There have been army uprisings or mutinies, which were of indirect value, if any, by influencing public opinion. And since in these days generals no longer revolt, because they have everything they desire, and because the rulers, having learned their lesson from history, take care to flatter them, it's all up with the Revolution! Those who work for it sweat and labor with as much success as carrying water in a sieve. . . . I salute these heroes from the door of my seclusion! . . . but I take not a step to accompany them. I am not of their glorious race. I am a quiet, well-fed domestic bird, and I'm not sorry for it, either,...

This publication might be well worth a read, and much better than other. It really is simplified but excitement inside the 50 % of the book. You will not feel monotony at whenever you want of the time (that's what catalogues are for concerning when you check with me).
