Reviews

It in one of the most popular book. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Camylle Larson)

HALO WARS

Alphascript Publishing. Taschenbuch. Book Condition: Neu. Neuware - Halo Wars is a real-time strategy (RTS) video game developed by Ensemble Studios and published by Microsoft Game Studios for the Xbox 360 video game console. It was released in Japan and Australia on February 26, 2009, in PAL territories on February 27, and in North America on March 3. The game is set in the science fictional universe of the Halo series in the year 2531, 21 years before the events of Halo: Combat Evolved (which takes place in 2552). The player leads human soldiers aboard the warship Spirit of Fire in an effort to stop an ancient fleet of ships from falling into the hands of the genocidal alien Covenant. Halo Wars was officially unveiled at the X06 Xbox show in 2006. Ensemble designed the game specifically for the Xbox 360 controller, in an attempt to circumvent issues present in previous console RTS. Ensemble was closed by Microsoft before the game's release, but Robot Entertainment was quickly founded by many of Ensemble's former employees; this new company continued to support Halo Wars with updates and downloadable content. 152 pp. Englisch.
