Zed Books Ltd. Paperback. Book Condition: new. BRAND NEW, The Democratic Republic of Congo: Between Hope and Despair, Michael Deibert, Over the past two decades, the Democratic Republic of Congo has been at the centre of the deadliest series of conflicts since the Second World War, and now hosts the largest United Nations peacekeeping mission in the world. In this compelling book, acclaimed journalist Michael Deibert paints a picture of a nation in flux, inching towards peace but at the same time solidifying into another era of authoritarian rule under its enigmatic president, Joseph Kabila. Featuring a wealth of first-hand interviews and secondary sources, the narrative travels from war-torn villages in the country's east to the chaotic, pulsing capital of Kinshasa in order to bring us the voices of the Congolese - from impoverished gold prospectors and market women to government officials - as it explores the complicated political, ethnic and economic geography of this tattered land. A must-read for anyone interested in contemporary Africa, The Democratic Republic of Congo: Between, Hope and Despair sheds new light on this sprawling and often misunderstood country that has become iconic both for its great potential and dashed hopes.
