Button Books, United States, 2015. Mixed media product. Book Condition: New. 260 x 230 mm. Language: N/A. Brand New Book. This is a new title in bestselling series from world-renowned illustrator Alain Gree. It teaches children to recognise a range of colours with the help of stunning vintage illustrations. Reverse of jacket is a wall poster illustrated with images of the book. It is suitable for children aged 2-5 years. Alain Gree's beautiful illustrations from the 1960s and 70s are known throughout the world. With their naivety of form and bold use of colour, their charm is undeniable. Aimed at children aged 2 to 5 years, Colours is a beautiful arlin-covered hardback with embossed artwork and jacket. Clear, easy-to-read text is presented alongside the illustrations to teach a child to recognise a range of colours. Short sentences that use the colour are featured throughout as examples to reinforce and learn from. Despite their simplicity, there is a richness of content in the illustrations that children will be fascinated by, and this wealth of information will be a joy for adults to share and discuss, making the potential for learning endless.
