Here is the revolutionary book on monetary reform - brilliant, compelling, clear, with specific reforms to do now - in an edition for global distribution. See the price. And the format is really a pocket edition edition: extremely small format that is super convenient. This edition is specifically designed to be purchased in large quantities. Had the U. S. followed the recommendations of this wonderful report when it came out in 1982, there would have been no housing bubble, no gigantic government debt, no depression, no economic upheaval, no high unemployment, and no international turmoil. This was a window of opportunity for reform. This is proof that Ron was right. In 1982, Ron Paul served on the U. S. Gold Commission to evaluate the role of gold in the monetary system. In fact, the Commission was his idea. It was carrying forth a promise made in the Republican platform. Back then, Republicans at least made noises about favoring a gold standard based on a gold dollar. Ron couldnt pick the members,...
