By John Chas Gibson

AUTHORHOUSE, United States, 2015. Paperback. Book Condition: New. 201 x 124 mm. Language: English . Brand New Book ***** Print on Demand *****.As a poor kid growing up, it was a challenge to have fun and not cost much, if anything. This book is specifically designed to let everybody know that fun doesn't have a price tag on it if an imagination and a warped sense of humor is part of the equation. Anybody can have a ton of fun, and make lifelong memories without getting into too much trouble. O.K. some of these stories are stretched to the borders of reality, but so what? Put yourself in the 60s and remember some of the stuff you pulled. As we go through the elementary school years, then junior high and high school, the fun gets more sophisticated. This will not be done though without having the goofy and stupid element ever present. If the warped sense of humor offends you in anyway, please accept this apology, and consider the source. The magic of the 1960s along with a small West Texas group of kids is an experience. Please consider the times compared to today's technology, and society....
