Reviews

Comprehensive information for publication enthusiasts. It is rally exciting throgh reading through time. I am happy to tell you that here is the greatest book i have got read through in my personal existence and can be he best ebook for possibly.

(Reese Morissette)

I CAN SEE IN THE DARK

Houghton Mifflin. 1 Cloth(s), 2013. hard. Book Condition: New. Riktor doesn't like the way the policeman storms into his home without even knocking, nor the arrogant way he assesses its contents, in this stand-alone thriller from Glass Key, Gumshoe Award, and Los Angeles Times Book Prize winner Karin Fossum, creator of the Inspector Sejer series. The policeman doesn't bother to explain why he's there, and Riktor is too afraid to ask. He knows he's guilty of a terrible crime and he's sure the policeman has found him out. But when the policeman finally does confront him, Riktor freezes; the man is arresting him for a crime he certainly didn't commit. Can he clear his name without further incriminating himself?"In the tradition of Patricia Highsmith and Ian Banks, Fossum creates a creepily realistic sociopath, rolling his story out in a spare Scandinavian style that lends the book a classic horror feel. It's not light reading to climb inside of a sociopath's brain, but readers who can handle the darkest tales will be rewarded by Fossum's streamlined, thoughtfully constructed story."Booklist 210.
