Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Memoirs of Cardinal Dubois, Vol. 2 of 2: Translated From the French In spite of Marechal s sinister prophecy, nothing had yet transpired as to the King s desperate condition. However, his gloom seemed like a presentiment of his approaching end, and it was visible from Fagon s air that medicine, having nothing further to do with Louis XIV, could already dispense with flattering him with vain hopes. This old rascal, who thought it an honour to be the chief lackey of Madame de Maintenon, seemed paid to kill Louis XIV. It was a sight to see him leaning on his cane, presiding, with his mocking smile, over the sudorific frictions given to the august patient. Baths and bleeding completed the work. An old man was bound to succumb to treatment which even a young man might not have borne with impunity. Pere Le Tellier was equally unmerciful towards the King s sick soul, which had so long been dieted on masses and acts of contrition. The Maintenon seemed grievously affected, not that she greatly regretted Louis XIV; but he was King, and with him what did she not lose? It was the beginning of the month of August, and the King was no better. He was not blind to his condition, for he had said to Villeroi, who was speaking of his projects for the new year: Monsieur, apply to my successor. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
