Paperback. Book Condition: New. Paperback. 118 pages. There are many ways to make money. The world has opened new avenues of earning for creative people around the globe. If you have written some book and is in limited circulation then you must try the online publishing and distributions channels. The pleasure of seeing your books on various online stores is no more a Utopian dream. You can achieve this feat in few days. Just go through some of the tips discussed below and try some channels to publish and distribute your books. Being a freelancer is a great job, its flexible and very well paid. In addition to that the majority of us get to write about things we love doing, it is a win-win situation for all parties involved. The problem comes at the beginning when you are trying to build up your portfolio and get noticed. Securing those early contracts can often prove to be the most difficult time in your career and will at times makes you question whether you have made the correct choice. All you have got to think is we are living in an internet age and the competition is bound to be intense. If you believe in your talent and your talent lives up to your belief then you will get recognized, it may take a while, but it will happen. This article will highlight three key traits that are needed in order to be a successful freelancer. It is important that you listen to the advice you are about to read, I have been through it myself and the information is based upon real life experience. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
