GO FIGURE!: FIGURATION IN BIBLICAL INTERPRETATION (PAPERBACK)

Wipf Stock Publishers, United States, 2008. Paperback. Book Condition: New. 224 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Description: Without turning naively to the past, scholars and preachers of the Old Testament are once again making use of figuration--something the church had always done until the modern period. The 2006 Tyndale Conference on Biblical Interpretation, held at Tyndale University College in Toronto, Canada, focused on figuration in biblical interpretation. The authors are the conference keynote speakers, Christopher Seitz and Ephraim Radner, as well as Tyndale faculty members in philosophy, history, Bible, and theology. There are also a few additional invited papers illustrating figural interpretation. Green, Professor of New Testament Interpretation, Fuller Theological Seminary This collection provides vigorous testimony to the diversity of interpretive possibilities in our time. Long-standing but often long-abandoned ways of reading Scripture are illustrated in accessible ways. The critical approach is not rejected, but it is broadened, and literal...
