Summary: After the enormous international success of their first book *The Green Kitchen*, authors David and Luise are back with another stunning collection of health conscious and delicious recipes - with inspiration taken from all over the world. The leaders of the current health and vegetarian food trend sweeping the world, David and Luise are the real deal - their blog *Green Kitchen Stories* is one of the world's most visited health conscious and vegetarian blogs (in a saturated market) and won Best Food Blog Special Diet in the 2013 *Saveur* Blog Awards. They have over 60,000 Facebook fans and almost 50,000 Instagram followers - their reach on social media is huge! David, Luise and their daughter Elsa are a family who love to travel. David and Luise have you spoilt for choice with desserts, featuring cheesecake, raw tiramisu and a sweet roti pancake. With easy to find ingredients and simple instructions, these recipes are sure to be a success. With stunning photography and food styling, as well as personal anecdotes and images from the...
