

Assessment Report on Biotechnology Capabilities and Opportunities in Jordan (Paperback)

By United States Agency of International De

Createspace, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.In 2004, upon the request of His Majesty King Abdullah II, an initiative was launched to draft recommendations for the leadership in Jordan to advance the Kingdom's biotechnology sector, attracting global recognition, regional leadership, and capitalizing on the strengths and competitive advantages of Jordan's research universities, healthcare institutions and industries. Dr. Samir Khleif, Director General and CEO of the King Hussein Cancer Center, led a steering committee which evaluated the capabilities of Jordan and implemented an aggressive action plan. This action plan provided a framework involving execution of short, intermediate, and long-term objectives of advancing the sector. An ongoing initiative on the development of Best Practices for the legal and regulatory framework, is being conducted by the Research Triangle Institute (RTI). Three years later, Bearing Point contracted Biotech Compass to evaluate the status of the sector by reviewing existing data and publications, conducting interviews, evaluating biotechnology programs within the academic sector and assess the status of regulatory and Intellectual Property Rights. A set of recommendations are provided to USAID-SABEQ in which to take action in supporting...
