

Achieving Victory in Iraq: Countering an Insurgency

By Dominic J. Caraccilo, Andrea L. Thompson

Stackpole Books. Hardback. Book Condition: new. BRAND NEW, Achieving Victory in Iraq: Countering an Insurgency, Dominic J. Caraccilo, Andrea L. Thompson, This book offers a fresh and provocative view of the war in Iraq from 2 staff officers, as compared to books by embedded reporters or enlisted soldiers. It outlines a straightforward strategy for achieving victory. It provides a critical assessment of what has gone wrong so far. The authors have served a combined total of over 60 months in Iraq. In his best-selling book, "Fiasco", journalist Thomas Ricks wrote, "There was no plan for the aftermath of the conventional war in Iraq." But there was a strategy, argue U.S. Army officers Dominic Caraccilo and Andrea Thompson based on their experiences with the 101st Airborne Division in Iraq, where they participated in tactical, operational, and strategic decision making. Even if its execution was muddled, that strategy involved handing the battle over to increasingly capable Iraqi Security Forces, and it remains the best shot at victory. Caraccilo and Thompson draw on their first-hand experiences training Iraqi troops and conducting security operations to show how that strategy has succeeded in parts of Iraq and how it can be expanded to bring victory to...

Reviews

This book is definitely worth getting. It usually will not price too much. Its been printed in an extremely simple way in fact it is only right after i finished reading this publication where basically altered me, modify the way i think.

-- **Avery Daugherty**

Extensive guideline! Its this kind of very good study. It really is full of knowledge and wisdom I discovered this book from my i and dad encouraged this publication to understand.
