The wheel of time revolves, encompassing something unfathomable-from the depths of abyss to the roads of redemption. This book of poetry weaves the threads of hope in a background of oblivion; the memories of a childhood to the last days of life; the last of the twilight to the darkness of the night; the iridescence of life to the dark roads of damnation. This eclectic collection of poems will leave you with an upsurge of emotions; bringing before you the masters of the universe-life and death- the joy of life and the shadow of death.
