

How to Make Money with Outsourced Articles and Article Marketing ? (Paperback)

By Haytham Al Fiqi

Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Are you looking for an easy way to make money online? If so, examine outsourced articles. When properly used, they can be a great moneymaking tool. The first step in making money with outsourced articles is to know what your options are. For starters, they can be posted on third party revenue sharing websites. This is possible, but only if you walk away from the deal with exclusive rights to the articles in question. Outsourced articles can be submitted to article directories. These are a great way to generate traffic, but do you have a website or a blog that you can send traffic to? If not, article directories are considered a waste of time, as you have no way to make money with them. Reselling outsourced articles for a profit is another moneymaking opportunity. Typically, you create your own website and list these articles for sale. By selling them for a higher price than what you paid for them, you can make a profit. Outsourced articles can also be transformed into a profitable eBook....
