A Generation on a Tightrope: Volume 3: A Portrait of Today's College Student (Hardback)

By Arthur Levine, Diane R. Dean

John Wiley and Sons Ltd, United Kingdom, 2013. Hardback.

Book Condition: New. 3rd Revised edition. 236 x 157 mm.

Language: English . Brand New Book. An understanding of

today's undergraduate college students is vital to the

effectiveness of our nation's colleges and universities. As

Generation on a Tightrope clearly reveals, today's students

need a very different education than the undergraduates who

came before them: an education for the 21st Century, which

colleges and universities are so far ill-equipped to offer and

which will require major changes of them to provide.

Examining college student expectations, aspirations,

academics, attitudes, values, beliefs, social life, and politics, this

book paints an accurate portrait of today's students. Timely

and comprehensive, this volume offers educators, researchers,

practitioners, policymakers, and employers guidance and a

much-needed grasp of the forces shaping the experiences of

current undergraduates. The book: * Is based on completely

new research of 5,000 college students and student affairs

practitioners from 270 diverse college campuses * Explores the

similarities and differences between today's generation of

students and previous generations.
