Createspace Independent Publishing Platform, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.It s a short children story about two siblings, who with the help of a giant pink whale embark on a pirate island adventure. It is a great story full of vivid imagery and simple words. It s a great way to spark your child s imagination. The pictures are simple and tend to capture the children s way of thinking, which gives a special tone to the book. It is a definite must for your child s library. Simple moral lesson in this children s book is very relevant for both the young and old to realize that people are not all the same either. It stresses that it s okay to be different. This book with it s colorful illustrations, encourages children to be creative and just learn to enjoy what each has to offer. Before publishing I gave the story to some friends who works in a kindergarten and primary school to see if the kids love the story. The result was amazing. The kids really liked it and they drew illustrations that I include in the book. The illustrations of the kids from kindergarten add a special touch.
