It is fantastic and great. It is written in easy words and phrases instead of confusing. I am just delighted to explain how this is actually the best book I have got read through during my individual life and might be the finest publication for ever.

Listening Prayer is a Bible-based method of hearing God s precious voice, so relationships can be healed and personal struggles overcome. The simple technique presented is so appealing that after the first few pages readers are eager to begin their own journal. Often people are afraid to ask, Father, what do You want me to know? Even more daunting is the question, Lord, what do You see when You look at me? Over and over, His answers bring tears to eyes and healing to hearts. Join author Joanne Hillman in an exploration of praying with a listening heart and a journal at hand, and see what the Lord may whisper.
